STIP AMENDMENT 00S-005 NOTICE

SUMMARY

This amendment programs \$4,269,000 from San Joaquin County's Unprogrammed Share Balance for ten local widening and rehabilitation projects in San Joaquin County.

RECOMMENDATION

The San Joaquin Council of Governments is requesting this amendment. The Department has reviewed the amendment and found it to be consistent with the Commission adopted STIP guidelines.

RESOLUTION

Resolved, that the California Transportation Commission (CTC) revise the 2000 State Transportation Improvement Program (STIP) as shown on Attachment A at the end of the 30 day notice period.

BACKGROUND

This amendment programs \$4,269,000 from San Joaquin County's Unprogrammed Share Balance for ten local widening and rehabilitation projects in San Joaquin County. Two projects widen Lower Sacramento Road, five projects rehabilitate city streets in the cities of Escalon, Ripon, Lodi, Lathrop, and Tracy, and three projects rehabilitate city streets in the City of Stockton.

Attachment A identifies \$4,269,000 in RIP funding and \$5,214,000 in local funds for these ten projects.

The non-STIP local fund commitments are displayed to indicate the total funding committed to the projects; they are not allocated by the CTC.
